Valuation	Plan Check Fee
\$ -	to \$ 12,170,000.00
Use Chart	
For any valuation over \$ 12,170,000 use the following formula: \$32,681.95 + (.0026 times the valuation amount over \$12,170,000)	
Example:	\$15,000,000 valuation = \$ 40,004
\$ 12,170,000.00	\$ 32,080.00
\$ 2,830,000.00	\$ 7,924.00
\$ 15,000,000.00	\$ 40,004.00
	Amount from Chart (2,830,000 x .0026)
	Total Fee

For every dollar valuation above the amount on the chart multiply it by .0026 and add it to 32,080.00 to come up with the total fee.
